

CURRICULUM VITAE

Highly motivated and hard-working professional with a strong work ethic and ability to thrive under pressure. Known for delivering high-quality results within tight deadlines. Excellent interpersonal skills with a friendly demeanour, fostering positive relationships with colleagues and clients. Exceptional organizational abilities, adept at handling multiple tasks and prioritizing effectively. Strong team player with the ability to work well individually or in a collaborative environment. I have always been interested in development and I am now looking to establish a career in the industry. This interest has led me to recently graduate from a coding Traineeship as a full stack developer including completing 2 real-world projects successfully to specification using a wide range of programming languages. I am a hardworking and loyal employee with excellent problem-solving skills and a drive to succeed. I am confident that I will make a valuable addition to your development team.

CODING TRAINEESHIP

IT Career Switch Ltd
Coding Traineeship – Full Stack Developer
1-year program

During the traineeship, I had to demonstrate a very competent level of the following programming languages and technical skills:

- HTML5, CSS3, JavaScript
- PHP, SQL, MySQL, React, jQuery
- Python, Node.js, Bootstrap
- Command line Git, GitHub
- Remote API access

ADDITIONAL TECHNOLOGIES:

- Sass, Redux

DEVELOPMENT EXPERIENCE:

Below are the two briefs of development projects I completed with IT Career Switch which can be found in my bio: <https://francesconicolosi.co.uk/>

Portfolio Project #1: “Gazetteer”

Develop a map-based application in HTML, CSS, JavaScript (jQuery) and Bootstrap presenting geographical and demographic data from JSON returned by PHP modules that query third-party APIs such as GeoNames and OpenWeather.

Portfolio Project #2: “Company Directory”

Full project cycle: Formal proposal followed by the development of a company personnel database application using Bootstrap, JavaScript (jQuery), PHP and MySQL. Sign off obtained after demonstrating that all of the required functionality was present and working as intended through the preparation of a formal test script.

CAREER HISTORY:
